LEADERSHIP FOR MENTAL HEALTH SYSTEM DEVELOPMENT

WHY THIS PROGRAMME?

Mental Health is becoming a dominating public health issue in the world and a report by the World Health Organization (WHO) revealed that 7.5 per cent of the Indian population suffers from mental disorder but unfortunately only 4,000 experts are available to handle these cases (Source: WHO). Consequently, the International Course titled Leadership for Mental Health System Development is designed to help the officers responsible for tackling this major national problem. The one-week course in Melbourne will give participants exposure to Mental Health Laws, Policies, and services vulnerable groups in society and their social inclusion, as well as the opportunity to compare mental health systems operating in India and Australia. This course will immensely help in Capacity Building to the officials working in the area of Mental Health to strengthen mental health systems.

ABOUT THE COURSE:

Leadership for Mental Health System Development is a comprehensive capacity building exercise in efficient mental healthcare delivery for developing countries. It addresses the fundamental problems plaguing the mental healthcare infrastructure of India. The course is structured to take a multidisciplinary approach in tackling the sensitive issue of mental healthcare in India.

ABOUT GLOBAL AND CULTURAL MENTAL HEALTH UNIT, UNIVERSITY OF MELBOURNE:

The Global and Cultural Mental Health Unit, University of Melbourne works to improve mental health and reduce mental illness in low resource settings and among vulnerable populations in Australia and internationally. Prof. Harry Minas, Head, Global and Cultural Mental Health Unit is a world renowned mental health expert.
