Parliamentary Democracy

(NEW DELHI + LONDON)
for Medical Administrators in
Government and Autonomous
Health Institutions
in the Country.

PARI TRAINING INSTITUTE

A Customised Leadership Programme on Public Health Policy Administration in Parliamentary Democracy in London, the UK

A capacity building customized Leadership programme on “Public Health Policy Administration in Parliamentary Democracy” designed for medical administrators in government aided hospitals and research institutes in India to enable the participants to learn how the National Health Services (NHS) of the UK work towards delivery of health services to its population in a public service set up and provide the opportunity to the participants to interact with various health policy makers, and implementing professionals in order to understand the health policy parameters in England, decision making processes, best health services delivery system etc. along with its challenges.

The proposed course is an ideal mix of lectures, hospital visits and interactions. It provides excellent exposure to the Participants who are implementers of the various government health schemes on the ground in India. Since the NHS is one of the best health delivery institutions in the world, the interactions with various health professionals and first-hand exposure to health delivery systems in London the U.K. and learning from them will be a very rich tangible outcome for the participants.

About PARI Training Institute, New Delhi

Parliamentary and Administrative Research Institute (PARI) Training was established with a view to undertake meaningful research on parliamentary and administrative issues in India and provide capacity building courses on Parliamentary procedure, public policy management, public health policy administration, Anti- corruption and good governance, Preventive Vigilance and its management which will enable the stakeholders to deal with governance efficiently. The capacity building courses are tailor-made for officers/ administrators in the Ministries/Departments, Autonomous bodies and PSUs under the central and state governments and the state governments. Further in order to understand the nuances of governance in the UK, and Australia, PARI brought out a Joint International course on Public Policy Management in Parliamentary Democracy and Leadership Programmes on Public Health Policy and Mental Health Systems Development, respectively.

The Faculty at the PARI is headed by Sh. S. Bal Shekar, Former Secretary General, Lok Sabha. The guest faculty includes Dr. Yogendra Narain, IAS (Retd), former Secretary General, Rajya Sabha, Dr. PPK Ramacharyulu, Former Secretary General, Rajya Sabha, Sh. Anindo Majumdar, IAS (Retd), former Secretary, Central Vigilance Commission, Shri Sanjay Shrivastava, IAS (Retd), former Election Commissioner, Delhi and Chandigarh, Sh. Alok Saxena, Addl. Secretary, Ministry of Health & Family Welfare; Shri J. Sundriyal, Former Joint Secretary, Rajya Sabha Secretariat; Shri D. S. Aswal, Former Advisor, Minister of HRD and Minister of H& FW, Lok Sabha, Shri S. K. Tripathi, Joint Secretary and CVO, Rajya Sabha, Sh. J. Vinod Kumar, former Director, CVC, among others.

About DODS, London

With a nearly 200 years track record of delivering training courses, DODS are established as the leading provider of learning and development on governance, policy making and communication skills. Their personal development and bespoke training services also have an excellent reputation. As well as their acclaimed open course programme, we also design, develop and deliver tailored training both in the UK and internationally. DODS have extensive experience in running courses for governments around the globe and hosting international delegations. Westminster Explained, DODS' boutique training division, delivers the core skills for dealing with parliament, government and policy making. The practical nature of their innovative workshops is blended with discussion and reflection on theory. This combination helps you implement or influence policy and legislation in the UK or on an international stage. Their courses are aimed at anyone in any sector with an interest in how decisions are taken—and implemented—in government. The faculty includes present MPs of the House of Commons as well as House of Lords, former Secretary of State, Senior Parliamentary Officers etc.
